Business English and Golf for Professionals

Speak it – Live it – Experience it!

Thompson Rivers University (TRU) has the experience and expertise to provide customized English language training and golf coaching for the professional. This innovative program has two objectives: to develop your English language skills and better your golf game.

The extra care we provide, teaching techniques used and our customized instruction help our participants obtain their learning goals. Participants will:

- › Gain confidence and fluency in English
- › Practice in an immersion setting
- › Develop leadership and business English language skills
- › Golf Fitness training
- › Personalized golf instruction
- › Play at award-winning golf courses

ENGLISH

Where the University meets the World!

Business English and Golf for Professionals

THOMPSON RIVERS
UNIVERSITY

This program is designed to develop Business English communication skills, while improving communication skills and performance in the context of golf. The Thompson-Okanagan region is “Canada’s No. 1 Destination” in recent choices of “Canada’s Top 10 Golf Destinations”. All language classes will be held at TRU with golf lessons at award-winning courses. All instruction is personalized with a focus to take the golfer to the next level of play.

The program is offered as a total package that includes:

- › Twelve night’s accommodation
- › Transportation
- › All green fees and cart rentals
- › Personalized instruction from Canadian Professional Golfers’ Association (CPGA) professionals
- › Unlimited access to course driving ranges and practice greens
- › Optional club rental available
- › Evening activities
